

A Bit of Holiday Cheer

(All) Sleigh-bells ring, are you list'nin'?
In the lane, snow is glist'nin'.
(S) A beautiful sight,
(A) We're happy tonight,
(S) Walkin' in a winter wonderland!
(A) Jingle-bell, jingle-bell, JINGLE-BELL ROCK
(S) Jingle-bell swing and jingle-bells ring.
(A unison) Jin-gle-bells ring.
(S) Snow-in' up fun
(A unison) Snow-in' and blow-in' up bushels of fun
(All) Now the jingle-hop has begun.

Oh- The weather outside is frightful
But the fire is so delightful.

(S) And since we've no place to go,
(A unison) And we've no place to go)
(S) LET IT SNOW! LET IT SNOW!
(A unison) Snow! Snow! Snow!

Frosty the Snowman
Was a jolly happy soul,
With a corn cob pipe and a button nose
And two eyes made out of coal.

Frosted window panes,
Candles gleaming inside,
Painted candy canes on the tree.

Santa's on his way,
He's filled his sleigh
With things, things for you and me.

You better watch out,
You better not cry,
(S) Better not pout, I'm telling you why.
(A unison) Telling you why:

(All) Santa Claus is comin' to town.
Here comes Santa Claus

Here comes Santa Claus!
Right down Santa Claus Lane!
Vixen and Blitzen and all his reindeer
Are pulling on the rein.

(S) Bells are ringing, children singing,
all is merry and bright
(A unison) Ringing, singing all is bright.
(All) Hang your stockings and say your prayers,
Cause Santa Claus comes tonight.

(S) I;m getting' nuttin' for Christmas.
(A unison) Nuttin' for Christmas.
(All) Cause I ain't been nuttin' but bad.
All I want for Christmas is
MY TWO FRONT TEETH, my two front teeth,
See my two front teeth.
Gee if I could only have my two front teeth,
Then I could wish Merry Christmas!

Through the years we all will be together.
If the fates allow.

(S) Hang a shining star upon the highest bough.
(A) A shining star upon the highest bough.
(All) And have yourself a merry little Christmas now.
(A) Merry Christmas now.

Somewhere in My Memory

Candles in the window,
shadows painting the ceiling,
gazing at the fire glow,
feeling that gingerbread feeling.
Precious moments,
special people,
happy faces,
I can see.

Somewhere in my mem'ry,
Christmas joys all around me,
living in my mem'ry,
all of the music,
all of the magic,
all of the fam'ly home here with me.

(Repeat with some splitting of parts,
humming at the end!)

Sleigh Ride

Just hear those sleigh bells jingling
Ring ting tingling too.
Come on it's lovely weather
Ror a sleigh ride together with you.
Outside the snow is falling
And friends are calling yoo hoo.
Come on it's lovely weather
For a sleigh ride together with you!
Giddy yap giddy yap giddy yap let's go.
Let's look at the show *OOO*
Let's look at the show of snow.
We're riding in a wonderland of snow.
Giddy yap giddy yap giddy yap it's grand
Just holding your hand.
Ooo take my hand.
Were gliding along with a song
Of a fairy wintery fairyland.
Our cheeks are nice
And rosy and comfy cozy are we.
We're snuggled up together
Like two birds of a feather should be.
Let's take that road before us
And sing a chorus or two.
Come on it's lovely weather
For a sleigh ride together with you.

Sixty Million Snowflakes

When I woke up this morning,
The snow was falling down.
The white stuff was everywhere!
I couldn't see the ground!
I couldn't wait to bundle up
And go outside to see
Just how many snowflakes
Would land on me!

(Chorus) There must be 1, 2, 3, 4, 5, 6 7, 8,
60 million snowflakes!
9, 10, 11, 12, 13, 14, 15, 16,
60 million snowflakes!
60 million snowflakes falling from the sky!
If the trees and ground can catch them,
So can I!
60 million snowflakes; all I want is one!
One little snowflake on my tongue!
One little snowflake on my tongue!

I wore my coat and hat
As I walked around outside.
My footprints looked like craters
That were really deep and wide!
The snow was swirling round!
I stuck my tongue out to the sky!
YOU'LL NEVER GUESS WHAT HAPPENED
I GOT SNOWFLAKES IN MY EYE!

(Chorus)
While on my way to school
I acted like a tree;
In hopes that just one snowflake
Would want to land on me!
This time I shut my eyes
And then stuck out my frozen tongue!
I WOULD HAVE CAUGHT A SNOWFLAKE
IF THE SCHOOL BELL HADN'T RUNG
(Chorus)
HEY! I GOT ONE!

St. Nick at Night

Part 1:
Have you heard about St. Nick at night,
Trav'ling all across the world in flight,
Carrying a great big sack

And delivering toys in no time flat?
Christmas Eve he will be at your house,
Keeping very quiet as a mouse.
Landing right up on your roof,
In the morning look for proof!

Part 2

Jolly Old St. Nicholas,
Lean your ear this way.
Don't you tell a single soul
What I'm going to say.
Christmas Eve is coming soon,
Now, you dear old man,
Whisper what you'll bring to me,
Tell me if you can!
*Ding Dong Ding
*Doo Be Doo Be Doo BE Doo

When the clock is striking twelve,
When I'm fast asleep,
Down the chimney broad and black,
With your pack you'll creep.
All the stockings you will find
Hanging in a row.
Mine will be the shortest one,
You'll be sure to know.
Jolly Old St. Nicholas,
Lean your ear this way.
Don't you tell a single soul
What I'm going to say.
Christmas Eve is coming soon,
Now, you dear old man,
Whisper what you'll bring to me,
Tell me if you can!

Look out for his beard of white,
Good St. Nick at night!
Have you heard about St. Nick at night,
Trav'ling all across the world in flight,
Carrying a great big sack
And delivering toys in no time flat?
Christmas eve he will be at your house,
Keeping very quiet as a mouse;
Landing right up on your roof,
In the morning look for proof!
Look out for his beard of white,
Good St. Nick at night!

A Holly Jolly Holiday

Now the Christmas season's here at last,
Childrens faces are all a glow
With dreams of Rudolph and Santa Claus
And newly fallen snow!

We would like for you to join us
In a Christmas song or two,
But first we would like to sing
Our holiday wish for you.
Have a holly jolly Christmas,
It's the best time of the year,
I don't know if there'll be snow,
But have a cup of cheer.
Have a holly jolly Christmas,
And in case you didn't hear, oh by golly
Have a holly jolly Christmas this year!

Part 1 Have a holly jolly Christmas,
It's the best time of the year,
I don't know if there'll be snow,
But have a cup of cheer.
Have a holly jolly Christmas,
And when you walk down the street,
Say hello to friends you know,
And everyone you meet.
Oh ho, the mistletoe,
Hung where you can see.
Somebody waits for you,
Kiss her once for me!
Have a holly jolly Christmas,
And in case you didn't hear,
Oh by golly have a holly jolly Christmas
This year!
Have a holly jolly Christmas this year!

Part 2 Rudolph the red nosed reindeer,
Had a very shiny nose.
And if you ever saw it,
You would even say it glows.
All of the other reindeer,
Used to laugh and call him names,
They never let poor Rudolph,
Join in any reindeer games.
Then one foggy Christmas Eve,
Santa came to say,
Rudolph with your nose so bright,
Won't you guide my sleigh tonight.
Then how the reindeer loved him
As they shouted out with glee!

Rudolph the red nosed reindeer,
You'll go down in history!
You'll go down in history!

Away in a Manger

Sleep, sleep, Sleep little babe.
We sing you a song.
Sleep, O sleep, sleep, sleep little babe.
We sing you a song, Sleep O sleep.

(Altos repeat lines above)
Away in a manger,
No crib for His bed.
The little Lord Jesus
Laid down His sweet head
The stars in the bright sky
Looked down where He lay
The little Lord Jesus
Asleep on the hay.

(All)
The cattle are lowing
The poor Baby wakes
But little Lord Jesus
No crying He makes
I love Thee, Lord Jesus
Look down from the sky
And stay by my side,
Til morning is nigh.

(Split again)
Be near me, Lord Jesus,
I ask Thee to stay
Close by me forever
And love me I pray
Bless all the dear children
In Thy tender care
And take us to heaven
To live with Thee there.

Snow is Falling Still

Part 1:

Softly the snowflakes fall to the ground,
Spinning and twirling and dancing around.
The hills are blanketed with drifts of white.
Oh, what a calm and peaceful sight.
Softly the snowflakes fall to the ground.
They never make a sound.

Part 2:

Still, still, still,
As the snow gently falls all around.
The world is calm and all is bright.
On this peaceful, silent night.
Still, still, still,
As the snow gently falls all around.

(End by singing both parts together)

A Christmas Greeting

Merry Christmas!
Happy holiday to each and every one of
you.
May this time be joyful and may all your
Christmas dreams come true.
Merry Christmas!
May your holiday be filled with joy and
harmony.
May you share your happiness with loving
friends and family.
Outside the snow is falling;
And a wreath is on the door. There's a
candle in the window to guide you safely
home once more.
Merry Christmas!
May your holiday be bright with laughter
and good cheer.
Singing all together now we raise our
voices loud and clear.

Merry Christmas!
May your holiday be filled with joy and
harmony.
May you share your happiness with loving
friends and family.

2 parts:

The snow is falling
Outside snow is falling
And a wreath is on the door.
There's a wreath on the door.

There's a candle in the window to guide
you safely home once more.

Merry Christmas!
May your holiday be bright with laughter
and good cheer.
Singing all together now we raise our
voices loud and clear.
As joyfully we say, "Have a Merry Christmas
Day and don't forget a Happy New Year!"

If Wise Men Still Seek Him

If wise men still seek him,
And yearn for his light,
Trusting in God's star
To lead them through the endless night.
And if shepherds are waiting
And watching for a sign,
Willing to follow their Savior Divine;
Then why shouldn't I seek His Holy light too?
And follow Him my whole lifetime through.

And the light shining bright
On our own Christmas tree,
Sparkle with the love
That Jesus gives you and me.
And each tiny flake of the glistening snow,
Reflect His light and love
For the whole world to know.

(Sing Silent Night while singing the 1st verse.
Audience join in 2nd time.)
